**FUDDRUCKERS TO DEBUT FIFTH CHICAGO HOME FOR THE ‘WORLD’S GREATEST HAMBURGERS’  
ON JANUARY 19 WITH FAST CASUAL RESTAURANT IN NORTHBROOK’S NORTHSORE 770**

**CHICAGO, IL – January xx, 2016** – [Fuddruckers](#) is making its move into Chicago’s North Shore on January 19. The Texas-based heritage brand, which has four popular locations around the city, is debuting a 3,507-square-foot fast casual restaurant with seating for 109 guests in the sought after Village of [Northbrook](#). Located at 776 Skokie Blvd., the restaurant occupies the much-anticipated [NorthShore770](#) mixed-use project, which incorporates 347 apartments and more than 100,000 square feet of retail, anchored by a Mariano’s grocery store. An engaging design scheme, which references Fuddruckers’ classic, Americana origins, will set an inviting backdrop for a family gathering, work lunch or date night.

According to Peter Tropoli, Chief Operating Officer of Luby’s, Inc., “We’re thrilled to be growing our footprint in the Chicago area in a prime North Shore location that puts our mouth-watering menu in the center of one of the city’s most exciting new retail and residential addresses.”

Since 1980, Fuddruckers has been obsessed with making the world happier, one great hamburger at a time. Grilled-to-order burgers feature always fresh and never frozen, 100% USDA premium-cut beef with no fillers or additives. Delicious, sesame-topped buns are baked from scratch on-site throughout the day to achieve the perfect combination of crisp crust and melt-in-your-mouth texture.

And while burgers are the signature, the engaging menu offers variety for many tastes with an array of sandwiches, platters and salads. No matter what they choose, customers can customize their meal with a trip to the legendary Build Your Own produce bar, which features fantastic fixings like sun-ripened tomatoes, lettuce, sliced onions, dill pickles, pico de gallo and classic cheese sauce
